Sir,

Ref.- G.O.No. 306, Judicial (Police), dated 25th June 1923 and
 G.O.No. Ms.158, Public (Police), dated 28th March 1933.

I have the honour to request that the Government will be pleased to sanction the grant of daily allowance at $1\frac{1}{2}$ times the ordinary rate to the Head Constable and Constables of the South Kanara District shown in the statement attached, in respect of their halts on bundobust duty, at Seethanady, for the periods noted against their names in connection with the Cattle fair held there from 3rd December 1938 to 9th December 1938.

2. Seethanady is a hilly spot, 48 miles away from the coast. The conditions that exist there are similar to those at Kulkunda, Udipi and Subrahmanya where daily allowance at $1\frac{1}{2}$ times the ordinary rate is allowed, under Annexure IV to the Madras Travelling Allowance Rules.

3. The deputation of these men, however, was unavoidable and the nature of their duties was such that they had to be absent from their headquarters throughout the period. Their halts at Seethanady were necessary in the interests of public service and as they were put to appreciable additional expenditure during their stay there, as shown in the statement attached, I make this recommendation as a special case.

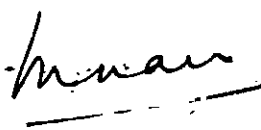

4. This Cattle fair is a newly organised one and it is reported that it will be an annual fair hereafter, requiring police bundobust for a period not exceeding 15 days.

I, therefore, request that this Cattle fair may kindly be included in the list of fairs and festivals appended to Annexure IV of the Madras Travelling Allowance Rules.

I have the honour to be,

Sir,

Your most obedient servant,

Item (11)

Para 4 on p 2 of

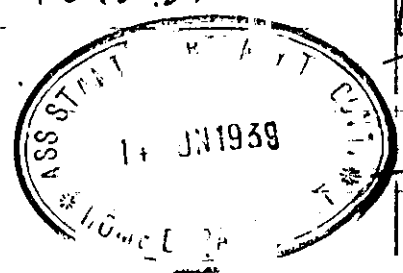

The Cattle fair at Seethanady held in December 1938 is a newly organised one and it is reported that it will be an annual fair hereafter requiring police bundobust. for a period not exceeding 15 days. Only one fair has so far been held at the place and it is too early to say that the fair will be held at that place every year. Submitted that the question of including the Seethanady Cattle fair in Annexure Tr to the MTA Rules need be considered only if the fair becomes an annual function.

With the above remarks the case may be returned to Home
